Hi Julia:

Here are the RFS slides. We often pdf these when sending them out, but I'm guessing that wouldn't make sense in this context?

thanks,  
Rebecca

Hi Sarah!

I was talking to Don this morning about the Growth Energy call on Monday and he mentioned that we would be using a briefing that you had on file. Would you please send it to me? The tech guy at Growth Energy would like it, as he will be running the slides on Monday. Thank you!
